BRIEF ABSTRACT OF LETTER.

States that the Corps has declined to pass in audit the charge allowance which has all along been enjoyed by Lady Apothecaries, who are regarded as Med. Subordinates like Sub-Ass. Surgeons & not as Gazetted Med. Offrs, and requests that "charge allowance for holding independent charge of a dispensary may be ordered to be admissible to Medical Subordinates, which term will include Med. Graduates, Lady Apothecaries & Sub-Ass. Surgeons

NOTES AND ORDERS.

1) The Senior Surgeon states that the reason for declining to pass the charge allowance in question seems to be that in para 2 of G.O. No. G. 679-80/Med. 63-16-4 dated 13.7.18 it is stated that "necessity for continuing such allowances as 'Personal' and 'charge' allowances except in the case of Sub-Ass. Surgeons, cease to exist," but that the reason for the cessation of the allowances given in the beginning of

He further states that the sanctioning of a sea allowance to Lady officers & subordinates of all grades "in addition to any other allowances that may be ordinarily admissible" (vide para 3, clearly shows that it is the intention of Govt to make the women's branch of the service more attractive.

In view of the facts that the pay of the Lady apothecary has been raised from 75. $\frac{25}{5}$ - 150 to 75 - 5 - 200, that a new allowance of Rs 30 per mensem, and that advance increments have been sanctioned in respect of the present incumbent, there are proper grounds for sanctioning a cadre charge allowance. And the grant of such allowance to them is inadmissible according to the reorganisation order.

42) **Subject:-** Proposal to grant charge allowance to Medical Graduates and Lady Apothecaries holding independent charge of a dispensary.

In Government Order No. G. 679-80/Medl.69-16-4 dated 13th July 1918 sanctioning the reorganization of the Medical Department, it was laid down that in consideration of the fact "that the number of the officers in the higher grades of the department has been increased and their emoluments considerably improved the necessity for continuing such allowances as 'personal' and 'charge allowances' except in the case of Sub Assistant Surgeons ceases to exist."

2. The Senior Surgeon represents that the Comptroller has declined to pass in audit the charge allowance which has all along been enjoyed by Lady Apothecaries who are regarded as Medical Subordinates like Sub Assistant Surgeons and not as Gazetted Medical Officers and recommends that the charge allowance may be made admissible to Medical Subordinates including Medical Graduates, Lady Apothecaries and Sub Assistant Surgeons for holding independent charge of dispensaries.

3. On a full consideration of all details I recorded the following minute on 12th September 1919 when the papers came before me:- Pages 6 + 7 of Notes

"The Government Order sanctioning the reorganization scheme, if strictly construed, does not admit of any charge allowance being given to the Lady Apothecaries and Medical Graduates. The word 'any other allowance' used in para 3 of the order refers to the class of Lady Doctors mentioned later on, in which the name of

12

Lady Apothecaries is not included. But the contention of the Senior Surgeon that Lady Apothecaries and Medical Graduates should be given charge allowances has great force. I would recommend charge allowance to all the Medical Graduates and Lady Apothecaries drawing a pay of less than Rs.120/- a month, which is the pay of the last grade of Assistant Surgeons."

4. The question has been considered in Council and they are of opinion that charge allowance for holding independent charge of a dispensary may be granted to Lady Apothecaries and Medical Graduates as is done in the case of Sub Assistant Surgeons so long as their pay does not exceed Rs.120/- per mensem.

Sir,

With reference to paragraphs 2 and 3 of Government Order No.G.679-80-Med.69-16-4, dated 13th July 1918, sanctioning the re-organisation of the Medical Dapartment, I have the honor to state that, the Comptroller, perhaps on the authority of the decision of Government that "the ~~REE~~ necessity for continuing such allowances as 'personal' and 'charge allowances' except in the case of Sub Assistant Surgeons cease to exist", has declined to pass in audit the charge allowance which has been all along enjoyed by Lady Apothecaries, who are regarded as Medical Subordinates/and like Sub Assistant Surgeons, not as Gazetted Medical Officers. The reasons for the cessation of the ~~allowances~~ allowances given in the beginning of the paragraph, viz., increase in the number and appreciable improvement in emoluments, applies only to the officers in the higher grades, viz., Surgeons and Assistant Surgeons.

Again, the wording of para 3 is clear about the intention of the Government in making the Women's branch of the service more attractive, and sanctioning a sex-allowance to Lady Officers and Subordinates of all grades "in addition to any other allowances that may be ordinarily admissible."

To clear all doubts, I request that Government may be pleased to order that "charge allowance" for holding independent charge of a dispensary will be admissible to Medical
